Duck Race Returns

6/2/2016 @ 11:53 AM

The Healthcare Foundations Duck Race is back after taking a year off in 2015.

The 24th Duck Race will take place at Carlyle Lake Dam on Saturday, July 9th. This is one of the few, and largest, fundraisers of the year for the Foundation according to first year Executive Director Megan Marcum.

"The Healthcare Foundation has two big fundraisers each year, that's the Healthcare Ball and the Duck Race, with the Duck Race being the biggest fundraiser for the charity. It's a huge part for the Healthcare Foundation for them to continue to provide healthcare for families."

Marcum says the Grand prize this year is \$1,000 cash and there will be a chance to win \$50,000.

"So they give us the first ten ducks and if any of those match the pre-selected number provided by the company we've went through then they would win the \$50,000."

There will be 11 other prizes as well as the children's area and food stands that will run from 11-1. Ducks will be released on the lake at noon. The first 12 ducks to cross the finish line will be pulled and selected in order for the top prizes.

Anyone interested in getting involved can email Megan at healthcarefoundation@yahoo.com.
